UNDERWRITING

The CNA/Jamison partnership includes an experienced underwriting team that is committed to providing a stable professional liability insurance market for IP law firms. We provide:

- Coverage that is comprehensive and addresses today's robust business environment
- Flexible pricing based on in-depth individual risk assessments
- Risk acceptance based on extensive research specific to IP law firm operations

CLAIMS

In recognition of the unique needs of IP law firms, an elite panel of attorneys has been established to work with the claim staff at CNA and Jamison. This partnership provides our insureds excellent claim handling services, including:

- A team of claim counsel dedicated to handling claims related to our IP legal malpractice policy, managed by an experienced AIPLA-member attorney
- Access to top-notch outside defense counsel who have a proven track record in the Intellectual Property legal malpractice arena
- Commitment to vigorous legal defense for covered claims when needed

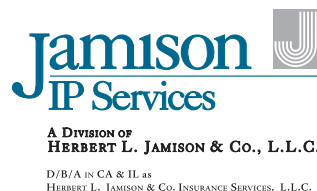

RISK MANAGEMENT

Jamison and CNA believe that the Risk Management needs of leading law firms require customized solutions and services. In addition to developing risk management and insurance programs for over 700 Intellectual Property Law Firms, Jamison's senior risk management team has developed risk management seminars for The American Intellectual Property Law Association, The Intellectual Property Owners Association and the IP Chapters and IP Sections of a host of State Bar Associations.

The Jamison and CNA partnership provides a comprehensive approach to serving your specialized needs.

- Risk Management Assessment provided by highly experienced professionals to establish benchmarks and make recommendations for your firm
- Communications to every lawyer in your firm discussing relevant topics and cases. Toolkit, newsletters and alerts available online
- Risk management hotline available to policyholders at no additional charge
- Risk management seminars (CLE approved in most states) provided for more than 15 years, including IP-specific seminars
